# Downloading eBooks and Audiobooks (Overdrive App): Android Devices

1. Open the Google Play Store app on your device.

2. Tap the search box and type in OverDrive. Choose OverDrive from the search results.

3. Tap on Install and accept the app permissions if asked.

4. When the app is finished installing, tap Open.

5. The first time you open the app, you'll have to sign up for an OverDrive account. Sign up for an account using your library card, Facebook account, or by entering your details (name, email, and password). If this is your first time using the app, we recommend signing up using your library card.

Sign up for an OverDrive account

An OverDrive account syncs your progress through titles, your saved libraries, and your bookmarks across multiple devices.

Use your OverDrive account to sign into the OverDrive app, overdrive.com, and new OverDrive library websites. Make sure you always sign in using the same method, especially if you plan to download eBooks to the OverDrive app (learn more here).
