

Downloading eBooks and Audiobooks (Overdrive App): Apple iPad, iPhone, and iPod Touch

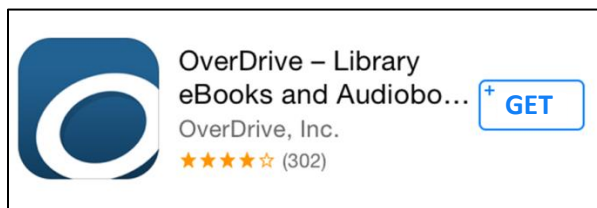

1. Open the Apple App Store on your device.

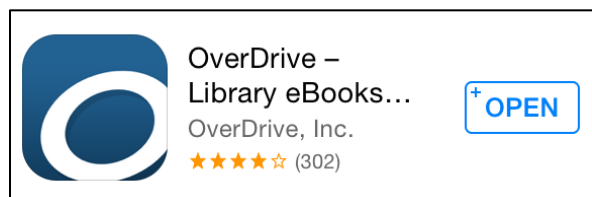

2. Tap the search box and type in OverDrive. Choose OverDrive from the search results.

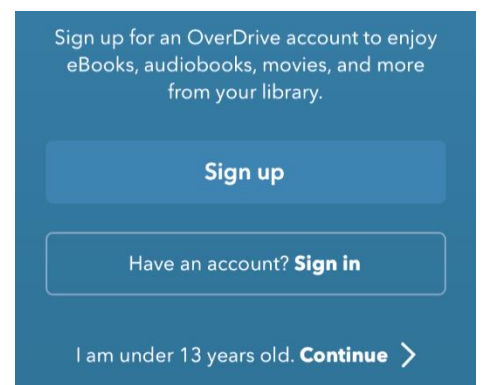

3. Install the app for your iPad, iPhone, or iPod Touch by tapping the GET button.

4. When the app is finished installing, tap OPEN.

5. The first time you open the app, you'll have to sign up for an OverDrive account. If you already have an account, tap on Sign In. If you don't have an account, tap Sign up.

6. Sign up for an account using your library card, Facebook account, or by entering your details (name, email, and password). If this is your first time using the app, we recommend signing up using your library card.

Sign up for an OverDrive account

An OverDrive account syncs your progress through titles, your saved libraries, and your bookmarks across multiple devices.

Use your OverDrive account to sign into the OverDrive app, overdrive.com, and new OverDrive library websites. Make sure you always sign in using the same method, especially if you plan to download eBooks to the OverDrive app ([learn more here](#)).
