

## Mobile App for Apple, Android, or Kindle Fire

The Flipster app offers offline viewing of downloaded magazines on your compatible device.

**To download the free Flipster app, search the Apple App Store, Google Play, or Amazon Appstore for Flipster. The Flipster app requires iOS 9+ or Android 4.2+.**

### Features

- Browse for and download popular magazines to read offline
- Read articles in text view
- Tap highlighted areas to jump to articles and related websites
- Track percentage of magazine read

### FAQs

#### Q. How do I download a magazine to the app?

1. Open the app, and tap on the Explore Tab.
2. Find your library via geolocation (allow Location Services) or via manual search.
3. Log in using your library card and PIN.
4. Browse or search for the magazine of your choice.
5. If you would like to download the current issue of the magazine, tap on the download icon on the Explore Screen.
6. If you would like to download a back issue of the magazine, tap on the info icon to navigate to the Detail Screen. From there, tap on the download icon for the desired back issue.

#### Q. Are back issues available from the app?

A. Since Flipster is a new library service, back issues will be available starting from the July 2019 issue.

Back issues are available from the magazine detail screen. Tap the info icon for a magazine to view and download back issues.

#### Q. Is there a limit on how many magazines I can download to the app?

A. There is no limit on the amount of magazines you can view.

#### Q. Do the issues I download to the app expire?

A. Titles do expire and will need to be deleted from your device. These titles display an expired icon and appear grayed out when no longer available to read.

- Weekly titles expire in 2 days.
- Monthly or seasonal titles expire in 7 days.

#### Q. After an issue expires, can I download it again?

A. Yes, return to the Explore Screen within the app and re-download the magazine.

#### Q. How do I delete an issue?

A. Tap on the trash can icon in the lower right corner of each magazine cover to delete it.

#### Q. What is the % number in the lower left corner of each cover image?

A. When you first download a magazine but haven't read any of the contents, you'll see a NEW label in the lower left corner of each magazine cover. Once you begin reading the magazine, the NEW label is removed and replaced with a %number that tracks how much of the magazine you've read.
