

What is CERT? CERT- stands for Community Emergency Response Team - we train to respond along with the First responders in a real disaster!

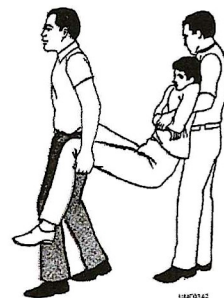

What kind of "training "do we get? - We train in Home Preparedness, radio usage, Fire Suppression, Medical Training - triage, splinting and bandaging, lifts and carries, light search and rescue, cribbing, Terrorism, Disaster Psychology. All of this training to perform a Disaster Mock Drill at the end.

Sound like fun? We have two FREE 7- week classes a year. Thursdays from 6:30 - 9:30 pm.

How do you sign up for the free classes? go to www.miltontownship.net the go to the CERT tab - then to the Application - Hope to see you at a class soon, Trish Billings - CERT Program Manager
