

NOW more than ever...

The League is the most respected and effective grassroots organization in our country. Your membership gives the League the political influence needed to build a voice for democracy and be a force for change.

We care about:

- Social Policy - children's services, criminal justice, gun violence prevention, health care, immigration - viewing all through a diversity, equity, and inclusion lens;
- Natural Resources - climate change, carbon footprint, land and water use;
- Government Issues - voting rights, election laws, money in politics, redistricting, fiscal policy, schools;
- Mental Health - including addiction, as part of total healthcare, not a separate entity.

If you are ready to be a defender of democracy then it's time to join the League of Women Voters of Roselle-Bloomingtondale!

As a member of our local League, you are also a member of the Leagues of Women Voters of the United States and of Illinois.
